5.1 Transport & Repatriation

If the Policyholder is ill or injured as the result of a covered event, MUTUAIDE ASSISTANCE's doctors will contact the local doctor who cared for them.

The information gathered from the local doctor, and potentially from their usual general practitioner will enable MUTUAIDE ASSISTANCE to begin preparations for, and organise the Policyholder's return home, once MUTUAIDE ASSISTANCE's doctors have taken a decision - based solely on medical requirements - or their transportation, under medical supervision, where applicable, to an appropriate hospital ward close to their home, in a light medical vehicle, ambulance, sleeping car, 1st class train (couchette or seat), aeroplane in economy class, or air ambulance.

In some cases, the Policyholder's safety may require them to be initially transported to a local healthcare center, before planning their return to a center close to their home. In that context, transfers from the resort medical center and/or a hospital to a more suitable medical center at a distance of over 150 km will be included under the Repatriation Transport cover.

Only the Policyholder's medical interests and compliance with the healthcare regulations in effect will be taken into consideration when making the transport decision, the choice of the means used for that transport, and the choice of any place of hospitalisation.

5.2 Return trip for children under 15 years of age

If the Policyholder finds themselves in a position where they cannot take care of the children under 15 years of age who were staying with them in the ski resort, MUTUAIDE ASSISTANCE will organise and cover their return to the beneficiary's home or to the home of a member of their family chosen by the Policyholder by train in 1st class or by plane in economy class, with a chaperone if required.

5.3 Transportation of the body in the event of death

In the event that the Policyholder dies as the result of a covered event, MUTUAIDE ASSISTANCE will organise and cover the transportation of the deceased to the place in their country of origin where their funeral will take place.

Furthermore, we will contribute to the cost of a coffin or an urn, up to an amount of €1,500, on presentation of the original invoice.

EXCLUSION TO PARAGRAPH 5.3:

- Other expenses (including those relating to the ceremony, procession, and burial).

5.4 Replacement driver

If the Policyholder's state of health no longer enables them to drive their vehicle, and none of the passengers can replace them as the result of a covered event, MUTUAIDE ASSISTANCE will provide them with a driver, in order to return the vehicle to their home by the most direct route.

MUTUAIDE ASSISTANCE will cover either the driver's travel expenses and salary, or a 1st class train ticket or economy-class plane ticket, so as to enable the Policyholder to recover their vehicle themselves at a later date, or a person appointed by them to bring back the vehicle in their place.

EXCLUSIONS TO THE PARAGRAPH 5.4:

- Petrol costs;
- Motorway toll costs;
- Hotel expenses;
- Catering expenses for any passengers.

The driver will act in accordance with the regulations in effect applicable to their profession.

This cover will be provided to the Policyholder if their vehicle is fully roadworthy, and compliant with the domestic and international Highway Codes, and fulfils the mandatory MOT standards. Otherwise, MUTUAIDE ASSISTANCE reserves the right not to send a driver, and MUTUAIDE ASSISTANCE will provide and cover the cost of a 1st class train ticket or economy-class plane ticket, in order to enable the Policyholder to go and fetch their vehicle.
